LUMIÈRES BORÉALES

Toujours avide d'échappées belles, la Maison Pierre Frey nous invite à un voyage fantasmé en Scandinavie. Ses paysages, sa lumière laiteuse si particulière, son héritage culturel si proche de nous, sont les paradigmes de cette collection à l'esthétique douce et poétique. Tout en subtilité, la collection LUMIÈRES BORÉALES revisite les codes du style scandinave, pour toujours irrésistible, et propose une certaine vision de l'art de vivre de ce territoire, entre stuga et habitation urbaine. Les carreaux revisités avec nostalgie ou encore les motifs géométriques inspirés du design de l'Europe du nord se mêlent à des dessins floraux au caractère singulier et des marbrures en trompe-l'œil. Matières laineuses et lins légers, teintes laiteuses et lumineuses, mains douces, caractère singulier des dessins... Tout dans cette collection invite à la sérénité, entre confort et délicatesse. Dès lors, LUMIÈRES BORÉALES apparaît comme un refuge auquel on ne saurait résister.

Always drawn to beautiful places, Maison Pierre Frey takes us on a dreamlike journey through Scandinavia. Its sweeping landscapes, soft milky light, and cultural heritage, so familiar yet so distinct, inspire a collection with a gentle, poetic soul.

The subtle LUMIÈRES BORÉALES collection reinterprets the timeless codes of Scandinavian style, offering a vision of Nordic living that moves gracefully between cozy stuga and modern urban home.

Nostalgic checks, geometric patterns drawn from Northern European design, and delicate floral prints with a singular character are layered with trompe-l'œil marbling. Soft woolly textures, airy linens, luminous milky hues, and an inviting hand-feel come together to create a sense of calm and quiet elegance.

LUMIÈRES BORÉALES is more than a collection, it's a sanctuary of softness and serenity. A place of comfort and grace, impossible to resist.
