## About us

Fryett's is a family company with a passion for creating stylish fabrics for modern living.

Our collections combine exquisite prints, sophisticated weaves and innovative design in beautiful trend-inspired palettes. Together they create versatile and eclectic schemes for any home.

Over time, we have expanded our brand ranges to give a vast offering of design styles and qualities to suit every type of customer.

We hope you enjoy what you see. For further products and information please visit:

[www.fryetts.co.uk](http://www.fryetts.co.uk)  
[www.porterandstone.co.uk](http://www.porterandstone.co.uk)

At Fryett's, we are committed to continually improving our sustainability credentials to minimise the impact on the local and global environment.

Where possible, all our ranges are made from BCI (Better Cotton Initiative) Cotton, as well as 100% recycled polyester Repreve yarn.

We are proud to announce that we have full SMETA accreditation, signifying our commitment to fair, responsible and ethical working practices.
